

Press Release

Chinese New Year Gala 2026

Under the aegis of the Embassy of Monaco in China

To celebrate the Chinese New Year, which begins on February 17th, 2026, under the sign of the Fire Horse, a symbol of dynamism and energy, the Monaco-China Association and Monaco Dragon Prestige, with the support of the Embassy of Monaco in China, are organizing the Chinese New Year Gala at the Hôtel Méridien Beach Plaza Monte-Carlo on Wednesday, February 11th, 2026, at 7:00 p.m.

This exceptional evening will be dedicated to culture, gastronomy, and the friendship between Monaco and China, and will be attended by distinguished guests.

Guests will have the opportunity to enjoy a refined four-course dinner, specially created by the talented Chef Laurent Colin, showcasing the authentic flavors of Asian cuisine.

The gala will not be limited to culinary delights; it also promises an unforgettable artistic experience. Musical and dance performances will punctuate the evening, culminating in a traditional lion dance, as well as a remarkable fashion show, illustrating the culture and creativity of the two countries.

We are particularly proud to announce that students learning Mandarin in the Principality will actively participate in the activities, highlighting the cultural ties and exchanges between Monaco and China.

This Gala is much more than just a celebration. It is also an unmissable event for anyone wishing to experience a memorable evening, full of emotion and discovery.
